

Phoebe DeThomas has lived life as spectator, confined to a wheelchair, in awe of her beloved Aunt Sadie, and overshadowed by her financial wizard brother, James. But when Sadie dies, leaving Phoebe a flower farm, the world opens up to her in ways she could never have imagined. Taking in three roommates to help get the farm running, she finds herself, for the first time in her life, part of a close circle of women friends. Each displaced from her home, these four women form an invaluable bond as they learn how friendship and purpose can transform even the most compromised of women.
