

By Golly, Its Molly, Poetry From My Heart is a mixture of rhyming poetry with compositions that touch the heart! The author loves variety in her life; her poetry gives an in-depth look at her family, a tribute to her grandmother, and animals she has owned and loved. She puts bios of friends, spiritual celebrations of life, memorials, anniversaries, and even class reunions to rhyme. The miscellaneous chapter covers all types of poetry, including her California real estate listing inside Africa USA, her talking toilet and memories of the Red Hussar Drum and Bugle Corps in Texas. Her poetry is centered from the love she received from her family, animals and many friends throughout her life. They are the essence of her existence. She loves excitement. She makes things happen in her life and never depends on others. Love is the predominant word in her book. She believes if you give love, you receive love! Give Molly a line and she makes it rhyme!
