

In today's society many people are vulnerable to compulsive behaviours and addictions that can, at least, change personalities and at worst, destroy lives. Through a mixture of scripture passages, reflections and prayers, this short book seeks to offer prayerful support to people who suffer from problems with alcohol or drugs and those whose lives are affected by other behaviours such as gambling, over-spending, excessive working, eating or its reverse, dieting. Comfort My People is no substitute for seeking medical and professional help; rather, drawing on the inspirational life of the Venerable Matt Talbot, its intention is to offer encouragement and spiritual support in times of suffering and stress.
