

Measure market sentiment and predict market trends. Contrary opinion is the opposite opinion of the sentiment held by the majority. If eighty percent of traders are bearish then a bullish view would be a contrary opinion. As developer of the Bullish Consensus, R. Earl Hadady has fine-tuned sentiment, measuring the opinion of a specific majority, to a calculable figure. Traders can now develop a winning trading plan around the Bullish Consensus and buy or sell as warranted by its numbers. Examines in-depth the workings of the futures markets and how market sentiment affects those markets. * Demonstrates that the trend of the market is actually a reflection of the trend of market sentiment Earl Hadady (Glendora, CA) is the author of the first edition of *Contrary Opinion: How to Use it for Profit in Trading Commodity Futures*. Mr. Hadady is a renowned expert in contrary opinion.
