

This title is directed primarily towards health care professionals outside of the United States. A first in Midwifery publishing! No other book advises midwives on the special needs of mothers with disabilities. Although an increasing number of women with disabilities are having children, the needs of this minority group are not always being effectively met. Disability in Pregnancy and Childbirth provides essential practical information to healthcare professionals working with this group.

Frankenstein (Italian Edition), Discovering the Cure for the Common Life (Excerpt): Living in Your Sweet Spot, A Field Guide to American Windmills, La Gran bonanza.
