

Coffee cart vendors belong to an exclusive group of entrepreneurs that want to make money. The benefits of selling hot liquids have caused many people to shy away from hot dogs and ice cream and consider the idea of buying a coffee cart and setting up shop on a street corner. Coffee cart vending is a low-stress job that has people stopping by for a cup of java at all hours of the day. Selling cups of coffee is a considered a popular business idea, and coffee cart vending is great in areas where chain franchises aren't nearby and folks need to get a cup of decent coffee (which never seems to be in the break room). In this book, *How to Make a Profit Series: Coffee Cart Vending*, you will learn: -What coffee cart vendors sell (hint: it's more than just coffee). -The overall concept of how coffee cart vendors work across the USA. -How to start choosing the products for your cart. -How to find high traffic areas for a coffee cart location. -What to know before buying a coffee cart. -How to make this a profitable lifestyle. -How to work with the health department. -And more. If you are considering a coffee cart vending business, the more you know before you buy the cart, the better chance you will have for success. This book will give you much-needed details in a solid overview of the business. So, what are you waiting for? Click the Buy button above and get started NOW!
