

If you've read the best-selling *Stories & Lessons on Feng Shui*, you won't want to miss this book. And even if you haven't read *Stories & Lessons on Feng Shui*, there's always a time to rev your Feng Shui engine up. The time is NOW. And the book? *More Stories & Lessons on Feng Shui* – the 2nd compilation of the most popular articles and columns penned by Joey Yap; specially featured in national and international publications, magazines and newspapers. All in all, *More Stories & Lessons on Feng Shui* is a delightful chronicle of Joey's articles, thoughts and vast experience - as a professional Feng Shui consultant and instructor - that have been purposely refined, edited and expanded upon to make for a light-hearted, interesting yet educational read. And with Feng Shui, BaZi, Mian Xiang and Yi Jing all thrown into this one dish, there's something for everyone! So all you need to serve or accompany *More Stories & Lessons on Feng Shui* with is your favorite cup of tea or coffee! And just in case you are wondering: What's in it for me, if I read this book well, read on! What is, and isn't, Feng Shui? Most people usually fall under 3 distinct categories whenever Feng Shui is concerned: The enthusiast or relatively adept DIY practitioner who wishes to deepen his or her knowledge of Feng Shui; The skeptic who's beginning to see some 'light at the end of the tunnel'; and Those who are downright confused and confounded by the many purported complexities brought about by the advent of 'New Age' Feng Shui, which invariably contradict the authentic tenets of Classical Feng Shui! And regardless of category, it all boils down to one simple question: What is, and is NOT, Feng Shui? Indeed, the answer to this question is the key that will subsequently unravel and in fact, debunk many a myth and misconception shrouding this metaphysical science today. Feng Shui, BaZi, Mian Xiang & Yi Jing – all thrown into one book! In *More Stories & Lessons on Feng Shui*, Joey shares with readers the many essential tips on Feng Shui that anyone and everyone will find useful and practical to apply. He starts by demystifying the many misunderstandings and myths surrounding Classical Feng Shui, before moving on to share his viewpoint on topics as diverse as the role – or lack thereof – of symbols and numbers in Feng Shui, to addressing more profound matters such as Yang and Yin House Feng Shui. *More Stories & Lessons on Feng Shui* ends with the author narrating his experience while taking his students to Walk the Mountains of China, in honing the latter's Feng Shui skills. In diversifying the topics in this sequel to cater to the avid Chinese Metaphysics enthusiast's thirst for knowledge, Joey also touches on other Chinese Metaphysical subjects such as BaZi (Destiny Analysis), Mian Xiang (Face Reading) and Yi Jing (The Science of Probability). So what we are basically talking about here is virtually every Chinese Metaphysical subject practiced today, all blended into one mouth-smacking mixture called *More Stories & Lessons on Feng Shui*! In *More Stories & Lessons on Feng Shui* – Gain a better, more resolute understanding of what Classical Feng Shui is and isn't about Know what you should, and should not, ask your Feng Shui consultant, especially if you have yet to hire one Learn how to differentiate between fact and myth when it comes to the usage of symbols, objects and numbers in the context of Classical Feng Shui See how Classical Feng Shui is applied in real-life situations and audits Get a useful insight into other branches of Chinese Metaphysics such as BaZi (Destiny Analysis), Mian Xiang (Face Reading) and Yi Jing (The Science of Probability)
