Here is what our 2 DET Practice Test Package can do for you: Practice Tests are the best way to prepare for an exam and this is the book that you need to fully prepare for the DET. Here are 2 complete DET Tests, prepared by a dedicated team of experts that will prepare you for the exam like nothing else will. Each complete DET practice test includes information about the test such as the time allotted for each section, allowing you to time yourself for a complete exam experience. Practice Tests familiarize you with the exam format and types of questions, giving you more confidence when you take the exam. Practice tests are a critical self-assessment tool that reveals your strengths and weaknesses. Practice tests allow you to practice your exam time management – a critical exam-writing skill that can easily improve your grade substantially. Practice tests reduce Test Anxiety, one of the main reasons for low marks on an exam. Hundreds of questions with detailed solutions and explanations to improve your understanding of the basic concepts behind the questions. If you are taking the DET Test – the 2 DET Practice Tests are an essential part of studying and passing! Includes all Diagnostic Entrance Test modules (some are optional depending on your school) Reading Comprehension, Math, Basic Science, and English. Study When and Where You Want! The print version of our DET Practice Tests comes with a FREE ebook version suitable for any smartphone, iPhone, iPad or tablet, that you can immediately download after purchasing. You can practice your questions after working out at any time. Whenever you have those spare moments, you can consistently build your confidence. Practice Really Does Make Perfect! The more questions you see, the more likely you are to pass the test. And between our study guide and practice tests, you’ll have over 400 practice questions that cover every category. You can fine-tune your knowledge in areas where you feel comfortable and be more efficient in improving your problem areas. Our practice test questions have been developed by our dedicated team of experts. All the material in the study guide, including every practice question, are designed to engage your critical thinking skills needed to pass the test! Heard it all before? Maybe you have heard this kind of thing before, and don’t feel you need it. Maybe you are not sure if you are going to buy this book. Remember though, it only a few percentage points divide the PASS from the FAIL students! Even if our test tips increase your score by a few percentage points, isn’t that worth it?
