

Now in its 16th year - and third year with the Sporting News - The Scouting Notebook is the most complete, annually updated, baseball scouting report covering every player on every team. STATS Inc. and nationwide team of baseball experts provides unmatched, detailed analysis of every player on every big-league team, as well as over 300 minor-league prospects. In all, more than 1,000 players! Features: Analysis is based upon detailed information on every pitch from every game in the 2004 season; Includes exclusive hitting & pitching charts for every batter and pitcher; Analysis of each player's defense and baserunning; Player by player 2004, recap and rankings; Detailed outlook for every player's upcoming 2005 season. It all comes together for a complete picture of player strengths, weaknesses and tendencies. The Scouting Notebook is a must-have for Fantasy-League players as they develop and maintain their teams all season, as well as, any fan who wants the "scoop" on each and every player.
