

Sexuality in Greek and Roman Culture is the first comprehensive survey of ancient Greek and Roman sexuality. It covers a wide range of subjects, including Greek pederasty and the symposium, ancient prostitution, representations of women in Greece and Rome, and the public regulation of sexual behavior. It introduces readers to the bitter theoretical debates that have been fought about gender and sexuality in the classical world. The material is ordered chronologically. It draws parallels between ancient sexual ideology and contemporary culture. It draws on literary, artistic and archaeological sources, as well as secondary scholarly sources. It is theoretically sophisticated and skillfully argued, yet accessible.

The Ultimate Flight Simulator Pilots Guidebook, New 52 Futures End #19, Linear Models and Generalizations: Least Squares and Alternatives (Springer Series in Statistics), 212 (Spanish Language Edition) (Ellie Hatcher) (Spanish Edition), Un salto de luz en la oscuridad: Una historia basada en la inspiración (Spanish Edition), World Health Organization, Glad No Matter What: Transforming Loss and Change into Gift and Opportunity, In Old Arizona: True Tales of the Wild Frontier!, Light Revealing Architecture, Islam and Science: Religious Orthodoxy and the Battle for Rationality,

Editorial Reviews. Review. "What has long been badly needed is a comprehensive survey that examines Greco-Roman sexuality, non-judgementally, in its own.
