

Sketchbook compiles over 130 pieces of artwork, some previously unpublished, from Boris Vallejo and Julie Bell, two of the most renowned fantasy artists in the world today. Sketchbook takes the reader through the entire artistic process which Vallejo and Bell undertake in creating their pieces. From early pencil drawings to the more intricate finished products, Sketchbook works as a how-to guide for aspiring fantasy artists, while at the same time standing alone as an exhibition of the talents of Vallejo, best known for his portrayals of Conan the Barbarian, and Bell, best known for her illustrations of X-Men. Seeing Vallejo and Bells respective visions in each step is sure to dazzle and inspire any fan or admirer of fantasy artwork. Included are some of Vallejos most famous sketches as well as Bells artwork for Marvel Comics X-Men series.
