

The revised and expanded 3rd edition of The Breastfeeding Atlas is now available. The text features 424 photos of clinical breastfeeding situations (64 new images). The Atlas contains up-dated references, expanded case studies, and new case management information. The authors have added a chapter on human donor milk banking. An accompanying DVD (included with the book) contains 31 video clips, an hour and a half of footage from actual consultations. This video greatly expands the clinical teaching potential of this valuable training text.
