

To Do...Doing...Done!: A Creative Approach to Managing Projects and Effectively Finishing What Matters Most focuses on the skills required to manage any project without getting bogged down in conflicts or sidetracked by unexpected changes or developments. In this book are proven techniques for bringing any project to a successful and satisfying conclusion. The techniques provided in To Do...Doing...Done! are based on Franklin Quests highly successful Planning for Results seminar, which has boosted the productivity of thousands of employees in corporations across the country, as well as in Europe and Asia.
