

Watch enough cable news and your view of the world will be clouded by fear. Hop on a bike and that view will brighten drastically. Travels with Willie is about finding adventure and facing fear, embarrassing blunders and language barriers, ice cream and kindness, Cuba and Colombia, Turkey and Thailand, the worlds steepest street and the worlds cheapest engagement ring, catching a thief and losing a zebra, a fathers touch and a farmers embrace, buying time and spending another night. Fellow bicycle travelers will smile with recognition, and arm-chair travelers might find themselves wandering into a bike shop, looking for a passport to adventure.
