

Abdisaidâ€™s 5th book, The Rule of Apostasy In Islam, Is it True, written in Somali language, has ignited fierce debate among the dominantly conservative Somali society. The book became widely popular after harsh and threatening condemnation by some fundamentalist Somali clergy who declared the book as heretical and full of infidelity; and who commanded Somalis not read it. Consequently, the book has stirred stagnant water and created debates among Somalis in Social networks and at coffee shops. In this book, Abdisaid argues that Islam encourages freedom of choice and that it does not impose death penalty on apostates. The book also places serious challenges on other confrontational topics such as the equality of bold money for females and males, and the lethally stoning of once-married adulterers. Although the authorâ€™s points of views are not popular among the Scholars of the prevailing Islamic jurisprudence, his arguments, nevertheless, rests on solid grounds. He supports his arguments with evidence from Islamic scriptures such as the Quran, Hadith and authentic and prestigious Islamic literature.

The Final Phase [of the Human Race]: Volume 1, eat.shop paris: The Indispensible Guide to Stylishly Unique, Locally Owned Eating and Shopping (eat.shop guides), Triage, Werke; (German Edition), Rag and Bone (The Henry Rios Mysteries Book 7), Justifying the Dependability of Computer-based Systems: With Applications in Nuclear Engineering (Springer Series in Reliability Engineering), Advertising Law I: A Global Legal Perspective: Volume I: Argentina - Japan (Advertising Law: A Global Legal Perspective) (Volume 1), Tide Tables 2006: Europe and West Coast of Africa, Including the Mediterranean Sea (Tide Tables Europe and West Coast of Africa,), Stinky and the Journotard (Stinky Stories Book 51),
